Year 13 performing the Haka at the Leavers Parade

## *From the Principal*

Nga mihi mahana ki a kotou

In term 4 we celebrated the achievements and involvement of students in academic, arts and sports and diploma prizegivings and I congratulate all those who were recognized in these.

In assemblies we acknowledged junior students who had achieved academically in national and international competitions. In the ICAS English competition Jack Guard earnt a Distinction for being in the top 6% of year 9 participants in NZ and Pacific region and Frederick Duncan earnt credit for being in the top 13%. Lachlan Mackie, Euan Marshall, George Turner and Jack Guard were semi-finalists in the NZ Future Problem Solving competition. George Turner came runner up in the National Spelling bee competition final at Te Papa in Wellington. The organizer (Janet Lucas) noted "George was an absolute star at the event and it became a gruelling workout between him and winner. They spelled their way through 20 rounds and he was naturally devastated when he tripped up on coriaceous and the winner went on to correctly spell, pusillanimous." Gus Varney received a gold medal, Keelin Bell a silver and Bill Wellbourne a bronze medal for the level of mastery they achieved in Mathletics.

Different groups of boys were provided with some wonderful opportunities during term 4. On top of the sporting opportunities described elsewhere groups were involved in waka trips in the Abel Tasman, sailing on the Spirit of Adventure out of Auckland, the summer Rotoiti Camp and taking part in the Cactus programme.

Service is a value we hold as very important and I was pleased to attend the 10 year anniversary of the MBC Leos Club. The members of this club in their actions personify what we admire in young Marlborough Men. During the past 10 years, the MBC Leos have made considerable contributions to both our school and community.

The 2017 Leos group celebrating 10 years of active service.

Other groups have also been involved in service this term most notably students who have painted a mural at the stadium and those that have contributed to the tuku tuku panels in the hall.

Regarding the new schools, while there have been frustrations regarding the Ministry of Educations (MOE's) processes on acquiring the co-location site, they have helped us in many ways in preparation for it that are supporting students NOW. It has been good to observe staff and students utilizing with enthusiasm the flexible learning spaces the MOE have allowed us to construct in science, art and the top of A block. Anytime you are in the school ask to have a look at these facilities.

It is with sadness that I record resignations from two long serving staff members who have given valuable service to different areas of the school. Phil d'Auvergne began in 1987. Phil will be remembered for his 30 year contribution as an accomplished mathematician, a Board Member and a major contributor to sport and the building of the Goulding pavilion.

Ray Russell began in 2001. In his 16 years at the college Ray has played significant roles as Hostel Manager at Innes House, in the International students' programmes and most noticeably in music.

I wish to thank Julian Adamson who after four terms as deputy principal returns to his permanent position at MGC and Margaret Pringle who finishes her role as Arts Co-Ordinator. Both have had very positive impacts on our school.

We are very much a community school and I would like to thank all the people who have supported our boys to get involved in co and extra curricula activity. This includes the Toe-by-Toe volunteers helping students with reading, the coaches, managers of sports teams, those who support our drama productions, cultural groups, choirs, musicals and service activities. It also includes families who have taken international students and billets into their homes. To our teaching and support staff, the members of our Board, the PTA, Old Boys' Association and MCCF who give so much of their time and talents - I thank you.

Have a great Christmas and new year.

# From the Board Chairman

Kia Ora,

This year the Board of Trustees are pleased to have engaged in extensive consultation with our community in a broad range of areas, which although stimulated by the new college co-location discussions, have enriched the College through these open communications. The Board has monitored and enhanced focus around ensuring our boys today get the best through the learnings of these consultations. Enhancements are evident in many areas of the College, and most importantly in our key pillars of focus, that is academic, arts, sport, leadership and service, which were evidently clear at the Senior Prizegiving where all major award recipients were celebrated with our community.

The Principal continues to lead the College extremely well and continues to make changes to adapt to the challenges that each year presents. To all the staff that support our young men I wish to acknowledge and thank you for your efforts and expertise. I wish to acknowledge the continued support of our community in many areas including coaching, managing, fundraising and so many other areas, your efforts do make a difference.

I also wish to thank the other Board of trustees for your strategic vision, guidance and support.

To whanau I wish to thank you for entrusting the education of your son to our college, Marlborough Boys' College.

To our fine young Marlborough men I wish them success in their exams, and happiness in life choices beyond.

Kind regards,

Sturrock Saunders

## Farewell from the Head Boy 2017

2017 has been an amazing year and I am thankful to all those who have supported me in my role as Head Prefect. At the beginning of this year, the Prefects and I set out to improve involvement within the school and its activities. We planned and organised numerous events, from Athletics Day earlier in the year to Academic Week - Chris Grammer and Jack McRae's 'brain-child'. With many students taking part and contending for house points, the event was such a success, they ran it a second time in Term 4. Athletics day was another success with one of the largest turn outs to date. We as a group also solved the issue of hydration by supplying a massive water container for everyone to use! Thanks Chris Perrin. In my absence over the Term 3 holidays, my deputy Anaru Anderson took the helm, and organised the annual MBC Games which was another hit among the competitive house members, getting behind their house.

A lot of our success throughout the year has been due to the strong connection we had as a team and I'd like to thank all of the Prefects of 2017, for doing outstanding work! To next years leadership team, I wish you luck on your endeavour to push the bar that little further and continue to be fantastic role models for the junior students! Handing over the Head Prefect role to James Hammond for next year, I wish you luck in everything you do, remember to always have confidence in everything you do! I'm sure you'll smash it! Thanks for a good year, and I wish you all luck.

Regards,

Seth Robinson

## Cultural Prizegiving

# Thank you for the Music

This year's Cultural Prize giving held on 25 October not only provided parents and friends with a varied programme of entertainment and rewarded students who had excelled in their chosen performance areas, but also formally acknowledged the incredibly valuable contribution of Ray Russell to the Performing Arts at MBC over the past 17 years.

Ray, himself a talented musician, has made an enormous impact on the musical life of MBC and his retirement marks the end of an era. Ngarie Searle spoke of his impact and contribution to the school over his time here and as Manager of Innes House, erstwhile home to many Kiwi and International students of MBC and MGC. Bryce Blackmore followed this with a humorous and touching rendition of ABBA's Thank you for the Music.

Attendees were treated to pre-concert nibbles prepared by Carolyn Brown and her team of student caterers; a slide show of photos by Mark Grammer brought back memories of Evita; video clips from performances throughout the year showed our drama students at work.

Items were presented by The Kapa Haka Group, The Pasifika Performing Arts Group, Marlborough Soundz, The Jazz Combo, The Jazz Ensemble, a Year 11 Rock group and The Stage Band as well as individuals Jonty Zydenbos, Jack Mc Rae, Stephen Simpson.

# SPORTS REPORT

This term has been another busy one, with boys completing and doing well in Junior and Senior Sevens, Junior Touch Rugby, Junior Volleyball, Junior Waterpolo, and Junior Cricket. We also had the Shooting team, Mountain Biking team and the Cycling Team involved in events during the term 3 holidays – all which went well.

Early in the term we held the annual Sportsman Of The Year Dinner in which we celebrated the success of our athletes in 2017. It was a great event made better by an inspiring speech by Buxton Popoalii who talked about how he's overcome hurdles that life has thrown him.

Congratulations to all the winners on the night.

Many teams are well into the planning for next season so make sure you check out the school notices and facebook page for information - <https://www.facebook.com/MarlboroughBoysNews/> As always we are looking for any help we can get – coaches, managers, sponsors etc to help out our boys. If you can be of any assistance please email me [joshh@mbc.school.nz](mailto:joshh@mbc.school.nz)

I would like to take this opportunity firstly thank all those who and help our boys out this year and to wish everyone good luck with their summer sporting ventures and look forward to seeing more in 2018.

# MBC HISTORY CLASSICS TOUR 2017

Special, memorable, fun, tiring, emotional and educational, the History and Classics European Tour 2017 saw a party of 21 boys, three parents and two staff (Messrs Olliver and Clark) embark on a 20 day field trip. After over a year of preparation and over 35 hours of travel, the group arrived in Rome to explore the tourist spots. Monte Cassino, Pompeii, London, and Paris followed.

A highlight for all was the commemoration for the Centenary of the Battle of Passchendaele. The boys produced a stirring haka for the occasion. Some fun was had in Singapore on the way home, including some shopping. Thanks to all those who supported the tour.

## YEAR 9 CRICKET

Whack! Another ball flies from the bat of Joel Pannell toward the boundary. This fine sight was one of many positive aspects of the cricket programme at MBC this term. The MBC Year 9 team played 6 matches this term, including the knock out final which was narrowly lost to Nelson. The high point of the year was hosting the South Island Year 9 Invitational Tournament at Horton Park. Teams from Christ's College, CBHS, OBHS, Shirley BHS and Nelson College took part in the three day tournament. The MBC team were: Kohri Brown, Dylan Burton, Alec Dodson, Eli Harvey, Ben Holdaway, Leighton Le Sueur, Tom Leonard, Sean Moran, Joel Pannell, Hugh Pearce, Billy Sloan, William Sutherland. Thanks to all who supported the tournament, especially our sponsors, Paradise Oysters.

Mr d'Auvergne coached the team alongside Mr Clark. Mr d'Auvergne is retiring at the end of the year. His many years of service have been greatly appreciated, especially by the hundreds of young cricketers that have benefitted from his considerable expertise. As he has indicated that he will keep helping with cricket, we look forward to seeing more of him in the future.

Mr d'Auvergne post match debrief with the Year 9 cricket boys

# INTERNATIONAL

This year we had long stay students from Japan, China and Germany. These boys all had very positive comments to make about their time at Marlborough Boys' College. We welcomed Jack Yang our first student from our sister school (the No. 9 school) in Ningxia. We also had a short stay visit from the Ningxia province in China which is the Marlborough District Council official sister region. My hope is that we can ultimately send some of our students on exchange to Ningxia the same way we do with our students to Jissen Gakuen our sister school in Japan. We also had short stays from other areas of China, South Korea and Japan including students from our sister school, Jissen Gakuen. Next year these groups will again be enrolled in short stay programmes, plus we have a new group coming from Habuka in Japan. I thank all our homestay parents who help our students experience a kiwi lifestyle.

The Korean students were on a joint scholarship programme between New Zealand and South Korea. For most, the scholarship was the first opportunity to travel outside of South Korea and is an important educational opportunity for them.

2018 Short Stay South Korean and Japanese Students from left of Picture: Minh, Shintaro, Koichi, Jae, Mathew, James, Jimin and Jingu. Three term student Shuzo Ohira from Japan second from right and MBC full time student Jack Yang from China, Jack has two more years at MBC. Teaching staff, Ms MacDonald & Mr Mulraney.
